Experience **Welk Group Inc. www.welkresorts.com**, Escondido, CA, December 2007–November 2008
Web/Graphic Designer

Took ownership for all creative design for the web. Assisted with HTML content development, as well as execution of supporting graphic content, copy/content, and web pages that helped to support branding, sales, and marketing strategies. Increased both traffic and ROI through organic and social marketing strategies. Maintained and provided ongoing design of web site graphics/content, promos, ad banners, etc. as directed. Assisted in the production of HTML and CSS based web content/pages, including incorporating graphic user interface (GUI) features and other techniques.

Silverlign Group Inc. www.silverlign.com, San Jose, CA, April 2007–November 2007
Graphic Designer

Primarily worked for the Silverlign client ‘Levi Strauss & Co.’ Developed, affirmed, and accommodated ever-changing design of web site graphics/content, promos, ad banners, eMail blasts etc. as needed per clients’ request. Also assisted the team in developing a wire frame template system for ‘Levi Strauss & Co’. eMail blasts to streamline clients’ requests.

The Hat Source, Atwater, CA, September 2006–April 2007
Graphic Designer

Redesigned the new product catalog. Generated renderings of hats and/or apparel for clients. Prepared paperwork for purchase orders and sample requests to be sent overseas for construction. Converted ‘jpeg’ logos to ‘vector’ logos to be sent to the silk-screener.

Auctiva Corporation/www.auctiva.com, Chico, CA, February–September 2006
Graphic/Web Designer

Designed, updated and produced eBay custom/free templates. Researched and developed custom templates that launched during ‘eBay Live 2006’. Generated signage for the Auctiva team exhibitor booth for ‘eBay Live 2006.’
